Verse 0:

We are the people of Lumina
Our nation, our home
With every vote we cast
We shape our future and our past
In freedom and democracy
We stand together, hand in hand
For Lumina, our land
Our nation, our home, we love thee so.

Verse 1:

In every vote that we cast
We build our future, fast and fast
With every choice that we make
We steer our course and our fate

Chorus:

From the mountains to the sea
Our unity makes us strong
We're a nation, proud and free

Verse 2:

In every election we take
We choose our path and our fate
Our Luminar English tongue
Unites us all as one

Chorus:

From the mountains to the sea
Our unity makes us strong
We're a nation, proud and free

Bridge:

With every step we take
We defend our land and our fate
In every fight we face
We'll stand strong and we'll embrace
In every challenge we meet
We'll stand tall and we'll compete

Outro:

Lumina, our home, we love thee so
Together we'll make it grow
Lumina, our nation, forever more.
